

AiGentsy Licensing Terms for AI-Generated Outputs

This document governs the rights to use AI-generated assets produced via the AiGentsy protocol.

1. Grant of License: The client receives a non-exclusive, non-transferable license to use the outputs.
2. Attribution: Attribution must be made to AiGentsy or specified agent unless otherwise agreed.
3. Commercial Use: Permitted unless restricted by individual contract.
4. Restrictions: No sublicensing, redistribution, or resale without explicit permission.
