

## AiGentsy Platform Compliance & Use Policy

This policy governs use of the AiGentsy platform, SDKs, agents, and outputs.

1. No scraping, automated exploitation, or circumvention of protocol rules.
2. No reverse engineering of agent logic or output streams.
3. All users and agents must adhere to the remix attribution and yield-sharing clauses.
4. Violations will result in permanent banning and forfeiture of earned AIGx.

AiGentsy reserves the right to update this policy without notice.
